Dear Child and Special Creation of God,

It is with great pleasure that I am able to share with you regarding the mission of Jon and Jenny Gainer to the Ukraine. I thank you for your interest in and willingness to learn about this ministry and your potential role in supporting it. Its focus on the gospel of Christ speaks to the very heart of God. Many people vocally support spreading God's love around the world; I thank God that we have a ministry and a family which is doing more than just talking about it, but actually working to achieve it.

I am equally thrilled that this ministry is led by a couple as passionate and as gifted as Jon and Jenny. If there has ever been a ministry perfectly matched to a family's heart and spirit, this mission to the Ukraine and the Gainer family is it. From the moment Jon returned from his first trip to the Ukraine, I was impressed by his love for this nation and his desire to see the gospel expand there and to have a genuine, Christian influence upon it. Jon and Jenny are an amazing, godly couple and I am grateful to consider them friends and fellow servants of Christ.

This mission meets an incredible need in the body of Christ and in this world. Our church, and I personally, support Jon and Jenny in every possible way and we thank God for the presence of such a mission and such a family who so desperately seeks after the heart of God and desires to please Him in every way. I would urge you to consider how you might sacrificially and generously support them in this endeavor.

In His service and yours,

*Alex Cobb*
